

Notice of about the inventory of parts

Dear Valued Customer,

Thank you very much for your continued patronage of Miya Epoch's products.

We keep the electric reel parts in our warehouse for a certain period of time.

We are obliged to keep them for 7 years after they are discontinued.

However, after 7 years, the parts will no longer be in stock.

If you have an old reel, please be aware that the parts may already be out of stock.

Thank you for your understanding and cooperation.

Kind regards,
MIYAMAE CO., LTD.
